## **Mayor To Testify Again In Federal Discrimination Suit**

By: NY1 News

Mayor Michael Bloomberg is set to give his second deposition Monday in connection with a federal discrimination suit against his financial information company.

The 2007 suit alleges Bloomberg LP demoted or reduced pay for pregnant women during and after their maternity leave.

It suggests the mayor is responsible for the creation of the top-down culture of discrimination at the company. However, Bloomberg has not been named as a defendant in the case.

As of Saturday evening, Bloomberg LP had not commented to NY1 about the case.
